# APPENDIX A - MEDICAL STAFF CATEGORIES SUMMARY APPENDIX B - HISTORY AND PHYSICAL EXAMINATION

### **GENERAL**

### 1.A. DEFINITIONS

Unless otherwise indicated, the definitions that apply to terms used in these Bylaws are set forth in the Medical Staff Credentials Policy.

### 1.B. DELEGATION OF FUNCTIONS

- (1) When a function under these Bylaws is to be carried out by a member of Administrative Leadership, by a Medical Staff member, or by a Medical Staff committee, including a Peer Review Committee, the individual, or the committee through its chair, may delegate performance of the function to a qualified designee who is a practitioner or Hospital employee (or a committee of such individuals). Any such designee must treat and maintain Privileged Peer Review Information in a strictly confidential manner and is bound by all other terms, conditions, and requirements of the Medical Staff Bylaws and related policies. In addition, the delegating individual or committee is responsible for ensuring that the designee appropriately performs the function in question. Any documentation created by the designee are records of the committee that is ultimately responsible for the review in a particular matter.
- (2) When an individual assigned a function under these Bylaws is unavailable or unable to perform that function, one or more of the Medical Staff Leaders may perform the function personally or delegate it to another appropriate individual.

### 1.C. SUBSTANTIAL COMPLIANCE

While every effort will be made to comply with all provisions of these Bylaws, substantial compliance is required. Technical or minor deviations from the procedures set forth within these Bylaws do not invalidate any review or action taken.

### 1.D. MEDICAL STAFF DUES

- (1) Annual Medical Staff dues shall be as recommended by the MEC and may vary depending upon staff category and/or clinical privilege status.
- (2) Dues shall be payable upon request. Failure to pay dues shall result in ineligibility to apply for Medical Staff reappointment.
- (3) Signatories to the Hospital's Medical Staff account shall be the President of the Medical Staff.

### CATEGORIES OF THE MEDICAL STAFF

Only those individuals who satisfy the qualifications and conditions for appointment to the Medical Staff contained in the Credentials Policy are eligible to apply for appointment to one of the categories listed below. All categories, with the respective rights and obligations of each, are summarized in the chart attached as **Appendix A** to these Bylaws.

### 2.A. ACTIVE STAFF

### 2.A.1. Qualifications:

The Active Staff shall consist of physicians, dentists, oral and maxillofacial surgeons, and podiatrists who:

- (a) are involved in at least 24 patient contacts per two-year appointment term; and
- (b) have expressed a willingness to contribute to Medical Staff functions and/or demonstrated a commitment to the Medical Staff and Hospital through service on committees and/or active participation in performance improvement or professional practice evaluation functions.

### **Guidelines**:

Unless an Active Staff member can definitively demonstrate to the satisfaction of the Department Committee at the time of reappointment that his or her practice patterns have changed and that he/she will satisfy the activity requirements of this category:

- \* Any member who has fewer than 24 patient contacts during his or her two-year Appointment term shall not be eligible to request Active Staff status at the time of his or her reappointment unless the Department Committee recommends an exception.
- \*\* The member will be transferred to another staff category that best reflects his or her relationship to the Medical Staff and the Hospital (options Courtesy, Consulting, Affiliate, or Coverage).

### 2.A.2. Prerogatives:

- (b) Members of the Active Staff who have served on the Active Staff for at least 25 years and who are 65 years of age or older may request removal from responsibility for providing specialty coverage in the Emergency Department. The Department Chair shall recommend to the MEC whether to grant these requests based on need and the effect on others who serve on the call roster for that specialty. The MEC's recommendation shall be subject to final action by the Board. Any such request that is granted by the Board is subject to change if the MEC determines that there are insufficient Active Staff members in a particular specialty area to perform these responsibilities.

### 2.B. COURTESY STAFF

### 2.B.1. Qualifications:

(c) at each reappointment time, provide such quality data and other information as may be requested to assist in an appropriate assessment of current clinical competence and overall qualifications for Appointment and clinical privileges (including, but not limited to, information from another hospital, information from the individual's office practice, information from insurers or managed care organizations in which the individual participates, and/or receipt of confidential evaluation forms completed by referring/referred to physicians).

- (2) In the alternative, and in the discretion of the MEC, elections may occur at called meetings of the Medical Staff. Candidates receiving a majority of votes cast at the meeting by those members of the Active Staff present and voting at that meeting shall be elected, subject to Board confirmation, which confirmation shall signify that the individual is entitled to legal protections and indemnification by the Board for acting in a Medical Staff leadership role. If no candidate receives a simple majority vote on the first ballot, a run-off election shall be held promptly between the two candidates receiving the highest number of votes.

### 3.F. TERM OF OFFICE

Officers shall serve for a term of two years or until a successor is elected or appointed. The term of office shall commence on the first day of the staff year following election.

# 3.G. REMOVAL FROM OFFICE OR MEMBERSHIP ON THE MEDICAL EXECUTIVE COMMITTEE

- (1) Removal of an elected officer or member of the MEC may be effectuated by a two-thirds vote of the MEC, or by a two-thirds vote of the Active Staff, or by the Board. Grounds for removal shall be:

- (2) At least 10 days prior to the initiation of any removal action, the individual shall be given written notice of the date of the meeting at which action is to be considered. The individual shall be afforded an opportunity to speak to the MEC, the Active Staff, or the Board, as applicable, prior to a vote on removal. No removal shall be effective until approved by the Board.

### 3.H. VACANCIES

A vacancy in the office of President of the Medical Staff shall be filled by an individual appointed by the MEC, who shall serve until the end of the President of the Medical Staff's unexpired term, or until a special election can be held, at the discretion of the MEC.

### CLINICAL DEPARTMENTS

### 4.A. ORGANIZATION

The Medical Staff shall be organized into departments as determined by the MEC and listed in the Organization Manual. The MEC may create new departments, eliminate departments, create or eliminate divisions within departments, or otherwise reorganize the department structure, in accordance with the amendment provisions contained in the Organization Manual.

### 4.B. ASSIGNMENT TO DEPARTMENTS

- (1) Upon initial appointment to the Medical Staff, each Medical Staff member shall be assigned to a clinical department. Assignment to a particular department does not preclude a Medical Staff member from seeking and being granted clinical privileges typically associated with another department.
- (2) A Medical Staff member may request a change in department assignment to reflect a change in his or her clinical practice.
- (3) Department assignment may be transferred at the discretion of the MEC.

### **4.C. FUNCTIONS OF DEPARTMENTS**

The departments shall be organized for the purpose of implementing processes (i) to monitor and evaluate the quality and appropriateness of the care of patients served by the departments, (ii) to monitor the practice of all those with clinical privileges in a given department, and (iii) to assure emergency call coverage for all patients.

### 4.E. APPOINTMENT AND REMOVAL OF DEPARTMENT CHAIRS

- (1) Except as otherwise provided by contract, Department Chairs shall be elected by the department.
- (2) The election for these two positions may be held at a designated department meeting. Candidates receiving a majority of votes cast by those voting members present at the meeting will be elected, subject to Board confirmation, which

confirmation will signify that the individual is entitled to legal protections and indemnification by the Board for acting in a Medical Staff leadership role. If no candidate receives a simple majority vote on the first ballot, a run-off election will be held promptly between the two candidates receiving the highest number of votes.

- (3) In the alternative, and in the discretion of the Department Chair or the MEC, elections may occur solely by written or electronic ballot, to be returned in the manner as indicated on the ballot at the time it is distributed. Ballots will be provided to all voting members of the department and completed ballots must be returned by the date indicated on the ballot. Those who receive a majority of the votes cast will be elected, subject to Board confirmation, which confirmation will signify that the individual is entitled to legal protections and indemnification by the Board for acting in a Medical Staff leadership role.
- (4) Any Department Chair may be removed by a two-thirds vote of the voting members of the department or by a two-thirds vote of the MEC after reasonable notice and opportunity to be heard. Grounds for removal shall be:
  - (a) failure to comply with applicable policies, Bylaws, or Rules and Regulations;
  - (b) failure to perform the duties of the position held;
  - (c) conduct detrimental to the interests of the Hospital and/or its Medical Staff; or
  - (d) an infirmity that renders the Medical Staff member incapable of fulfilling the duties of that office.

Prior to the initiation of any removal action, the Medical Staff member shall be given written notice of the date of the meeting at which such action shall be taken at least 10 days prior to the date of the meeting. The Medical Staff member shall be afforded an opportunity to speak to the department or MEC, as applicable, prior to a vote on such removal being taken.

- (5) Elected Department Chairs shall serve a term of two years and may be reelected for additional terms. Contracted Department Chairs shall serve terms as defined in the relevant contract.
- (6) In the temporary absence of the department chair, the Chief Medical Officer shall serve as the interim chair.

### 4.F. DUTIES OF DEPARTMENT CHAIRS

- (5) In the temporary absence of the department chair, the Chief Medical Officer shall serve as the interim chair.

### 4.G. SERVICE LINES

- (1) WellSpan may also establish multi-disciplinary service lines to facilitate the delivery of quality, safe, and effective patient care.
- When service lines exist, a physician shall be designated to serve as a Service Line Director who shall have the responsibility for the day-to-day operations of the service line. This physician will work closely with an individual designated by the Hospital to assist with day-to-day operations and overall management of the service line.
- (3) Notwithstanding the creation of services lines, the primary responsibility for activities related to credentialing, privileging, and professional practice evaluation related to the Practitioners who function within the service line shall remain the responsibility of the relevant Department Chair or other appropriate Medical Staff Leader or Medical Staff committee.
- (4) Service Line Directors may participate in credentialing, privileging, and professional practice evaluation activities if requested by a Medical Staff Leader or Medical Staff committee. In these circumstances, the Service Line Directors must

(a) Medical Staff members shall be provided notice of all regular meetings of the Medical Staff and regular meetings of departments and committees at least 14 days in advance of the meetings. - (b) When a special meeting of the Medical Staff, a department, and/or a committee is called, all of the provisions in paragraph (a) shall apply except that the notice period shall be reduced to 48 hours and posting may not be the sole mechanism used for providing notice of a special meeting.
- (c) The attendance of any individual Medical Staff member at any meeting shall constitute a waiver of that individual's objection to the notice given for the meeting.

### 6.D.2. Quorum and Voting:

- (a) For any regular or special meeting of the Medical Staff, department, or committee, those voting members present (but not fewer than two) shall constitute a quorum. Exceptions to this general rule are as follows:

The question raised shall be determined in the affirmative if a majority of the responses returned has so indicated.
- (d) When determining whether a specific percentage or a majority has been achieved with respect to a vote of the Medical Staff or a department or committee, an individual who has recused himself or herself from participation in the vote shall

not be counted as a voting member (for example, if there are ten voting members of a committee and one recuses himself or herself on a particular matter, the majority vote for that matter would be calculated as five of the remaining nine votes).

(e) Recommendations and actions of the Medical Staff, departments, and committees shall be by consensus. In the event it is necessary to vote on an issue, that issue will be determined by a majority vote of those individuals present. Voting may be by written ballot at the discretion of the Presiding Officer.
